#P9228E \$45

LIGHT ARTIST BUZZY TRUSIANI

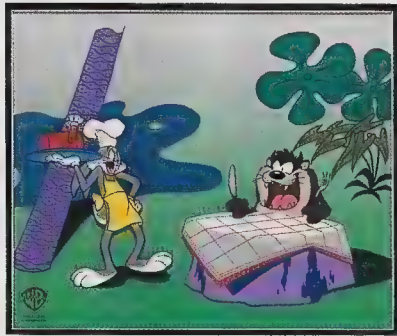

In 1991, young artist Buzzy Trusiani helped develop a new laser-cut acrylic light system that was initially used to create contour maps in light. Soon after, Trusiani expanded his subjects to include a wide range of animated characters to the delight of children and collectors. Among other things, Trusiani takes pride in the fact that he "made having a night light cool for kids."

The Gallery Collection

Limited Edition of 1,250

A. "BEDEVILLED RABBIT" SERICEL The classic Taz sericel inspired by the short directed by Robert McKimson in which Bugs Bunny is shown a guide book that describes Taz as "a vicious, ravenous brute with powerful jaws like a steel trap" with a menu that happens to include "rabbit". Comes matted and framed. With Certificate of Authenticity. Framed size, 16" x 19". #S9317 \$185

Limited Edition of 2,500

B. DAFFY DUCK STAMP COLLECTION The third in a popular collectors series, this handsomely framed piece includes our 9" x 14" U.S. postage stamp art lithograph, an officially canceled first day of issue stamped envelope and collectors stamp saver sheet of ten stamps. Certificate of Authenticity. 17 1/2" x 21 1/2". #S9322 \$125

© & © 1999 USPS

C. "HOME PLATE" LITHOGRAPH Meticulously detailed, this unique piece asks the baseball question, "Has Bugs hit a home run or is Taz just hiding the ball?" Perfect for a sport's fan's home or office. Framed in rich mahogany stained wood. 31" x 19". #9331 \$150

D. "SPEECHLESS" Our moving tribute to Mel Blanc features the characters to whom he gave voice paying their silent respects to the master. Fine art lithograph comes handsomely matted and framed. 22" x 30 1/2". #9269 \$150
